The Amernet String Quartet, Ensemble-in-Residence at Florida International University, has garnered worldwide praise and recognition as one of today's exceptional string quartets. The ensemble rose to international attention after only one year of existence, after winning the Gold Medal at the 7th Tokyo International Music Competition in 1992.

Three years later the group was the First Prize winner of the prestigious 5th Banff International String Quartet Competition. The Amernet String Quartet has been described by The New York Times as "an accomplished and intelligent ensemble", and by the Nürnberger Nachrichten (Germany) as "fascinating with flawless intonation, extraordinary beauty of sound, virtuosic brilliance and homogeneity of ensemble."

The Amernet String Quartet was formed in 1991, while two of its members were students at The Juilliard School. Founding members Marcia Littley and Javier Arias have been joined by fellow Juilliard graduates, violinist Misha Vitenson and violist Michael Klotz.
