## **Kids 4 Harmony**

Berkshire Children and Families launched Kids 4 Harmony, a free after school program at Morningside Community School in Pittsfield, MA in 2011 and Brayton Elementary School in North Adams in 2015. It has been transforming lives through music with its intensive classical music instruction to children and youth from under-resourced communities. The program is inspired by Venezuela's El Sistema, a values-driven ensemble-based musical approach with a social justice mission. Kids 4 Harmony opens opportunities for children to grow their academic skills, self-confidence, discipline, citizenship and widens their aspirations. Children's accomplishments generate pride and a sense of social connection that is woven into the cloth of their families and communities.
