

Ephs Out Loud

Ephs Out Loud is a student-led initiative, sponsored by the Williams College Music Department and designed to promote community engagement and collaboration through music. *Ephs Out Loud* provides opportunities for Williams students to participate in outreach programs including community-based performances and workshops, educational programs at local schools, and collaborations with Williams groups and community partners.

Karleigh Wright

Kids 4 Harmony

Berkshire Children and Families' Kids 4 Harmony is inspired by Venezuela's El Sistema, an intensive, values driven, ensemble-based approach to teaching classical music to effect social change. Students are welcomed into a world of opportunity. Families bond with one another-creating the social network of supports that every family needs, and the community surrounding them gains strength and pride through the musical excellence of the children. Kids 4 Harmony is offered in North Adams at Brayton Elementary School and in Pittsfield at Morningside Community School.
